GE VPA Course

CLASSICS OF FRENCH CINEMA

SPRING '13 M 10:05-11:55
WF 10:20-11:15

Prof. Margaret Flinn

Introduction to the study of cinema and to French film classics. Students will explore cinema as an art form, the social and cultural history of France as it relates to the cinema, and the qualities that make individual films cinematic masterpieces.

Lectures and
readings in English,
all films subtitled.
