## **BEGINNING FRENCH 2 (INDIVIDUALIZED DISTANCE LEARNING)**

### **SPRING 2020**

## **Course overview**

### **Instructor Information**

Instructors: Roger Anderson.2299, Mackenzie Leadston.1, Denis Mingallon.1, Julie Parson.30

Program coordinator: Julie Parson.30

Individualized Instruction phone number: 614-292-7060

Office hours: Dr. Parson's office hours are on Tuesdays and Thursdays from 10:00am to 11:00am in Hagerty Hall 233 this term.

### **GE Goals:**

Students demonstrate skills in communication across ethnic, cultural, ideological, and national boundaries, and appreciate other cultures and patterns of thought.

### **GE Expected Learning Outcomes:**

1. Students employ communicative skills (e.g. speaking, listening, reading, and/or writing) in a language other than their native language.
2. Students describe and analyze the cultural contexts and manifestations of the peoples who speak the language that they are studying.
3. Students compare and contrast the cultures and communities of the language that they are studying with their own.

## Course description

French 1102.61 is an online Individualized Instruction version of the classroom course for French 2. French Individualized Instruction is a self-paced, mastery-based program that is designed to mirror the courses offered in the classroom. Both Individualized Instruction and the classroom track aim to help students achieve a certain level of proficiency. Individualized Instruction differs from the classroom track in the following ways:

**French Individualized Instruction is mastery-based:** Because of the independent nature of language learning in the program, we require that students perform at the level of 75% or better on each unit. If you are not able to score at least a 75% on all work (including the unit exam) after 3 attempts, we will ask you to drop the course so that you do not receive an E in the course.

### French Individualized Instruction offers:

**Flexible credit:** One complete course is four credits. Unlike the classroom, you can complete four credits in one semester or spread them out over two semesters. The minimum number of credits you can sign up for is two unless you are finishing up a course.

**Flexible meeting times:** Video appointments via [CarmenZoom](#) are available Monday through Friday, with appointment times available in the mornings and in evenings at least two days a week. Appointments are made [here](#). You are encouraged to make an account on the scheduling page so that you can review appointments made.

**One-on-one instruction:** You will complete the majority of your learning on your own by completing the work in each unit's module on Carmen, but you will make video appointments with instructors to demonstrate mastery of the material.

**Student autonomy:** You are in charge of your learning in that you decide how many credits you would like to take in a given term. You schedule video appointment times and decide when you are ready to take tests (note: you must take them before unit deadlines).

## Course Learning Outcomes:

At the end of French 1102, you should be able to:

- pick out familiar words and phrases from French songs, videos and films to be able to comprehend the overall message of what is communicated in these mediums;
- understand presentations by the instructor on French and Francophone cultures with frequent explanations and clarifications;
- read and understand short, authentic texts and dialogues;
- engage in brief conversations and complete simple tasks with your classmates, the instructor, and native speakers who are sympathetic to the communicative needs of language learners;
- write essays on topics related to readings or material used in class using the structures and vocabulary you have learned in both 1101 and 1102;
- understand different aspects of French and Francophone cultures;

- discuss competently (in English) a variety of topics related to French and Francophone culture and society and make contrasts and comparisons with your own culture.
- Write short paragraphs and descriptions and develop competence in pronunciation.

More information can be found on [Carmen](#). Please see the student orientation video and Getting Started page.

## Grading and faculty response

### Grades and Normal Progress – Per Unit (There are 6 units if taking all 4 credit hours)

Assignment or category	Points
<p><b>Unit Pre-test Homework Activities (Found on MindTap and Carmen)</b></p> <p>(Online submission): There are two parts to the homework assignment:</p> <ol style="list-style-type: none"> <li>1. Complete written workbook activities for the unit. You can find a link to MindTap in your Carmen course.</li> <li>2. Upload your written Oui, je peux activity to Carmen. You will find the prompt in the Homework Activities assignment in Carmen.</li> </ol> <p><b>You must complete all assigned activities in MindTap AND upload the writing assignment to receive credit. Please complete all MindTap assignments first and then submit your</b></p>	<p><b>10 for written assignment</b></p>

<p>written <i>Oui, je peux</i> activity on Carmen. Also, please keep in mind that some of the activities ask you to complete the assignment with another student, so you will need to plan ahead for this.</p>	
<p><b>Unit Pre-test Conversation Check (via <a href="#">CarmenZoom</a>)</b> (Appointment required): Select 5-6 activities listed on Carmen. Each one should be from a different grammar and vocabulary section. You will be expected to use the entire 15 minutes of the appointment to practice speaking in French with your instructor. <b>No credit will be given if the student does not perform at the 75% level. Students may NOT use notes, nor may they read from activities that are already written out.</b></p>	10
<p><b>Unit Pre-test PMAT (via <a href="#">CarmenZoom</a>)</b> (Appointment recommended): Download then take the Practice MAT diagnostic test. The test, listening files, and answer key can be found on Carmen. <u>Correct your answers with a different color ink and scan or use Word's track changes and submit the file to Carmen.</u> We recommend that you make an appointment to review your practice test (especially if you are new to Individualized), but it is not required. Please note that if you do not make an appointment to have your PMAT reviewed and graded, you must allow 48 hours for the grading of your PMAT before being able to proceed to take the MAT and Interrogation Orale. <b>Students must earn a 75% or higher to proceed.</b></p>	10
<p><b>Once you have completed these required pre-test activities and have been assigned grades for them, your exam module will open up automatically in Carmen. The exam module includes a Written Exam and an Interrogation Orale (oral exam completed on Carmen). Once you have taken the Written Exam and recorded the Interrogation Orale (completed on Carmen), you may schedule ONE follow-up appointment scheduled at least 48 hours after your submission via <a href="#">CarmenZoom</a> to go over the following:</b></p>	
<p><b>Unit Written Exam (taken via Proctorio or in pre-approved testing center; to be graded by instructor before follow-up appointment – please allow 48 hours)</b></p>	60
<p><b>Unit Interrogation Orale (record on <a href="#">Carmen</a> – please allow 48 hours)</b></p>	10
<p><b>NOTE: The follow-up appointment for the exam module is required for your first unit and for any unit you fail. If you pass your exam with a 90% or higher, you are not required to</b></p>	

<b>complete a follow-up appointment. We recommend follow-up appointments for passing grades under 90%.</b>	
<b>Total for each unit</b>	<b>100</b>

Please note that the activities described above are only the **minimum** required to complete a unit hour. You are welcome and encouraged to make an appointment more often for any kind of help or supplementary work you need. Appointments can be made [here](#). Please use your OSU email to schedule appointments. You should make an account so that you can manage your appointments more easily.

The amount of work that you complete in your course depends on the number of credit hours that you are taking. Each credit hour corresponds to a given amount of work. Please consult this chart to see how much work you will complete for each credit hour you take.

<b>Unit 6 (Chapter 12) Exams (written and oral)</b>	<b>Tuesday, April 14</b>

\* No work can be accepted after 4pm on Friday, April 24. You will need a score of 75% on all work to complete the unit and move on to the next one. Late submissions will result in grade penalties. Please see below for the late assignment policy.

## Late assignments

Each unit you complete will have a deadline for pre-test work (homework activities and conversation meetings) and a deadline for the written and oral tests. You may complete work at your own pace, but you must complete all of the work required (both pre-test requirements and the written and oral tests themselves) for a unit on or before the deadlines given\*. You will receive 25% off of your grade if you submit your pre-test work (homework) after the deadline. For exam modules, you will receive a 4-point deduction from your written exam grade if either part of your exam module is submitted after the deadline. There is no penalty for a late PMAT, though completing it late will likely cause you to complete your exam module late.

You are encouraged to work ahead. Do not confuse deadlines with due dates. To be successful in this course, you should not think of deadlines as due dates. The nature of Individualized Instruction allows students great flexibility in managing their work, but deadlines are firm and will not be changed for any reason. Waiting until the last day to complete your unit is not an excuse for missing deadlines. No waivers to the late penalty for exams will be given without documentation of an extended, excused absence.

\*If you fail an exam, you will be required to make an appointment to meet with an instructor and go over your exam before being allowed to take it again. Grade penalties for second and third attempts will match the first attempt. That is, if you completed the first attempt of the written and oral exams on or before the deadline for the unit, you will receive no penalty for the second and third attempts. Conversely, if you did receive the penalty on the first attempt, you will receive the penalty on the second and third attempts.

\*\* Retaking an exam for a higher passing grade is permitted one time per unit and must be completed before moving on to the following unit. See the orientation webinar for more information.

## Grades and Policies

This section explains other important policies concerning grades, testing, scheduling, and Contract Week.

### Grading scale

93–100: A

90–92.9: A-

88–89.9: B+

83–87.9: B  
80–82.9: B-  
78-79.9: C+  
75-77.9: C  
74.9 or below: E

**All work must be completed at the 75% or above level. Students have three chances to pass exams with a 75% or above. If you cannot achieve at least a 75% by the third attempt, we will ask you to drop the course to avoid receiving an E.**

## Faculty feedback and response time

### Grading and feedback

Students receive feedback from MindTap activities immediately from MindTap when possible or from instructors as needed. They make appointments for conversation activities with instructors and receive feedback during that appointment. Students submit work such as writing activities, PMATs, and written tests and oral tests via Carmen or MindTap. These activities will be graded in the order that they are received. We ask students to be patient, as we receive assignments from not only the students in this course, but in several other Individualized Instruction courses as well. Please be mindful of the fact that it takes time to grade assignments, particularly during busy times such as unit deadlines. We strive to grade submitted assignments within 48 hours, but it sometimes takes longer. **Please understand that waiting to submit pre-test work until the deadline may result in assignments not being graded on time for you to submit your exam module components on time. This will result in a -4 penalty on your written exam, so plan ahead.**

### E-mail

We will reply to e-mails within **48 hours** in most circumstances. During semester breaks, we will reply after the break.

## Proctoring of Written Exams in Carmen

For each unit that you complete in French 1102.61 (see chart above for the breakdown of the units you will take based on the number of credit hours you register for), you will complete, in addition to the pre-test work, a written exam and an oral exam. In order to complete written exams, you will need Proctorio, the online proctoring software that is fully integrated into all Carmen courses at OSU. To be able to use Proctorio in this course, you will first be required to read and agree to the terms and conditions outlined in the Carmen quiz, entitled, "Using Proctorio in French 1102.61." This quiz is located in the "Getting Started" module and is one of the requirements needed to be able to start work in the course. If you do not agree to the terms and conditions outlined in the quiz, you will not be permitted to use Proctorio to complete your exams.

**Overview of Proctorio:** Proctorio is an online proctoring software utilized by The Ohio State University to administer online assessments. It is designed to track 20 types of suspicious behavior so that you can be sure that your exam was proctored fairly and impartially. Once you complete each quiz/exam, your instructor will automatically be sent a suspicion report for his/her review. The report will indicate any abnormal behavior detected during the exam; abnormal behaviors include but are not limited to obstruction of any portion of your face, communication with someone on and/or off screen, activation of the copy and paste, print, and/or screen capture feature, and use of other electronic devices.

**Terms and conditions for using Proctorio in French 1102.61:** In order to use the online proctoring software to complete course quizzes and exams, you ***must*** abide by the requirements listed below. **If at any point during a quiz/exam you choose to violate the requirements listed below, a zero will be awarded for the exam. This means you will lose that attempt at the unit exam and the unit bonus, if applicable.** Furthermore, if your instructor *suspects* academic misconduct a report ***will*** be submitted to the University's Committee on Academic Misconduct (COAM). Review the following requirements for using Proctorio to complete course quizzes and exams. If you have any questions or concerns, contact your instructor.

**A student using Proctorio to complete a quiz and/or exam in French 1102.61 must...**

- keep his/her *entire* face visible during exam
- keep his/her eyes towards screen
- take the exam alone in a private room/space
- turn off all sources of external sound such as but not limited to radio, tv, phones, etc.
- remove all phones, laptops, tablets, and/or other electronic devices from view
- remove all external resources (e.g., books, websites, notes, etc.)
- avoid the use of features such as copy and paste, screen capture, and print

NOTE: You must be 18 or older to use Proctorio. If you are under the age of 18 please notify your instructor ***by the end of week 2*** of the semester so that alternative accommodations may be arranged.

## Attendance, participation, and discussions

### Student participation requirements

Because this is an Individualized Instruction course, you work at your own pace and within unit deadlines. Attendance is not graded, but here are some recommendations to help keep you on track so that you do not lose points due to late submissions:

- **Logging in: FREQUENTLY**  
You are required to engage with the course content frequently so that you understand the requirements of the course as well as the content of the course. Since this is an Individualized Instruction course, it is your responsibility to make sure that you meet all deadlines and that you understand all course policies. If you do not, you must ask an instructor in a timely manner. Not knowing that something was due is not an excuse for missing a deadline and a penalty will be assessed.
- If you have a situation that might cause you to miss a deadline, discuss it with Dr. Parson *as soon as possible*. No deadline extensions will be given for any reason, but a penalty may be waived with documentation of an extended illness or other emergency. Please plan ahead for things like job interviews and the like. Vacations are not excused absences and your penalty will not be waived.
- **Video Office hours: OPTIONAL OR FLEXIBLE**  
Dr. Parson's office hours will be on Tuesdays and Thursdays from 10:00am to 11:00am this term. You can schedule an appointment with me outside of these times by emailing me at [frenchii@osu.edu](mailto:frenchii@osu.edu).

## Other course policies

### Academic integrity policy

It is the responsibility of the Committee on Academic Misconduct to investigate or establish procedures for the investigation of all reported cases of student academic misconduct. The term "academic misconduct" includes all forms of student academic misconduct wherever committed; illustrated by, but not limited to, cases of plagiarism and dishonest practices in connection with examinations. Instructors shall report all instances of alleged academic misconduct to the committee (Faculty Rule 3335-5-487). For additional information, see the Code of Student Conduct <http://studentlife.osu.edu/csc/>.

**If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct.** If COAM determines that you have violated the University's *Code of Student Conduct* (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University.

If you have any questions about the above policy or what constitutes academic misconduct in this course, please contact me.
