An aerial photograph of Sorrento, Italy, showcasing the town's dramatic location. The town is built into a steep, rocky cliffside that descends towards a vibrant turquoise sea. The buildings are densely packed, with a variety of colors including white, yellow, orange, and red. The sea is filled with numerous small boats and a few larger vessels. The surrounding landscape is lush with green vegetation, and the overall scene captures the iconic beauty of the Amalfi Coast.

Funding your trip:

All **financial** information, program dates, deadlines and applications are available at the Office of International Affairs. OIA can also help locate many sources of funding.

For semester experiences, students do not pay OSU tuition through June 2021 when participating in a direct enroll program. All scholarships and grants may apply to a student's semester abroad.

Students may also partially fund their study abroad, including summer, through the Second Year Transformational Experience program (**STEP**).

Scholarships and grants for majors and students in upper-division courses are provided by the Department of French and Italian
