## **Description:**

Discover masterpieces of French Literature in translation:

- Explore a little history and geography through classic Asterix comics
- Study a variety of "sound bytes" in the form of classic fables, short stories and poems on major themes such as pleasure and unmasking posers
- Read Molière's scathing comedies mocking hypocrisy and self-righteousness
- ...and Flaubert's great novel of shopping gone wrong, *Madame Bovary*
- \* Gain techniques for reading plays, poems, and prose faster and better
- Become a better critic and observer of your own culture

**GE Literature and diversity global studies course.**
