

NIAF VOYAGE OF DISCOVERY

Every year, we send a group of 20 Italian American college students to Italy to learn about their culture and conduct service projects over the course of two weeks. For those students that are not financially able to travel in Italy or time will not allow them to study abroad, this is a great opportunity!

Italian American students (that have never been to Italy) must be enrolled in an accredited institution of higher education in the spring 2016 semester to be eligible for consideration. In addition to spending money while in Italy, students that win the trip will only be required to pay the fee to become a member of NIAF (\$25) if one of their parents is not already a member and pay a \$150 non-refundable fee in order to participate in the program. **Airfare between US and Italy, hotel accommodations, motorcoach transfers and escorts/tour guides when applicable will all be funded by NIAF.**

Please be sure to share this with any students that are interested in going to Italy that may be of **Italian American descent**. The application deadline is **January 31st 2016**. More information can be found at <http://www.niaf.org/programs/voyage-of-discovery/>.

If you or any students have questions regarding the program, please feel free to contact me at the phone number listed below or send me an e-mail.
